July 2022 Issue 7

Message From The Manager

The early summer months brought extremely challenging weather conditions with the long drought we faced. I want to thank Dino Psroudis and his staff for the wonderful job they did keeping the course in fantastic shape during those trying months. We are thankful that with the start of July we received heavy rains turning the course into the lush playing surface we are enjoying today. Thank you for your continued support in the club and we look forward to seeing everyone around the club.

*Matt Hill, PGA
General Manager*

Trivia is Back!

The SkyTop Grill is excited to announce that Trivia is back at the club. One Saturday a month the grill will be hosting a trivia event. July trivia has no cover fee but does have a one food item and one beverage item minimum. We will have the full menu to select from and kids under 18 years old will not have a minimum associated with their participation. If you would like more information or would like to sign up, please call the SkyTop Grill at 704-948-6611 ex. 2. Reservations are required for this event and is limited to the first 80 reservations.

New Sod on 1 & 18 Black Tee

This week the golf course maintenance crew has been working extremely hard to resod hole #1 and #18 black tee. While playing over the next several weeks, please avoid playing on the new sodded areas by playing the blue tee boxes. We appreciate everyone's cooperation in helping us keep Skybrook best in class in the Charlotte.

Driving Range Reminder

This is a friendly reminder that the driving range closes at 12:00pm every Monday and reopens every Tuesday at 12:00pm. During this time, we can clean pick the driving range and cut/fertilize all the grass necessary to keep the range in great condition. We understand how this can be inconvenient, but we appreciate your understanding as we work hard to keep the Skybrook range in great shape.

Major Championship Requirements

Registration for the remainder of this years majors is now open. You are welcome to sign up for the Club Championship on August 20th and 21st as well as the Member-Guest on October 15th and 16th by calling the golf shop or stopping by the club house and signing up in the event book. If you are interested in signing up for a major, you must have a 6 month LHI (Low Handicap Index). In order for GHIN to calculate a proper 6 month LHI, you have to have posted 10 scores in the last 12 months. Please note that Member-Guest has a max capacity of 60 teams and guests also need a 6 Month LHI to play.

9 & Dine

On Friday, July 22nd the club will be hosting its monthly 9-hole event with the 9 & Dine. This is always a fun event with a scramble format and wonderful social dinner afterwards. The cost of this event is \$20 per person and includes one entrée as well as one beverage from the bar. Please call the golf shop to sign up for this event.

SelectPi Range App

As many of you know the range ball machine was recently vandalized. The club was able to repair the machine and it is now functioning properly. If you are a range member you can still sign up for the SelectPi app and be able to collect balls without coming to the golf shop. If you would like to get balls at the range without having to come by the shop please (1) download the SelectPi app in the app store and (2) sign up as a user. Once that is complete, (3) please email Matt (matt@skybrookgolf.com) with the phone number and email you registered with and we can convert your SelectPi account to member status. After that is complete you will be able to collect up to 160 range balls a day without having to come to the club house.
