Message From The Manager

It's that time of year again where frost delays and cold rainy days are seen more often than not. We kindly ask that you be patient with the staff as we do our best to navigate these challenging weather conditions. Often, we must change the starting hole, move tee time's back, and adjust the hours of operation for the driving range to protect grounds from frost or snow. If you have a tee time in sub-freezing weather conditions, we ask that you call the golf shop and we can give you a course update and predicted starting times.

General Manager*

Valentine's Day Dinner

Come spend Valentine's Day at the club! The Food & Beverage Staff has put together a dinner on Valentine's Day from 5:00pm to 9:00 PM for members, family, and friends. We look forward to seeing you there! Please see the flyer above for event pricing and full menu. Flyers can also be found at the Skytop Grill.

2023 Range Memberships

As outlined in the 2023 membership plan, the golf club will be billing annual range plans to members that have elected the unlimited range plan. The cost of the family range plan is \$350 and the individual range plan is \$250. If you are currently on a range plan, there are no other steps you need to take and you will simply see the charge on next months statement. If you are not on a range plan and would like to be, please speak to one of the professional staff about upgrading your account.

New Entry Signs

As many of you noticed, last month the club began the process of building new signs at the entrance of Northgreen and Hillspring. We are in the final stages of completion but wanted to share the progress we have made to this point. As we continued to make improvements to the golf club, we feel these signs will properly showcase our commitment to make Skybrook the premiere club in the Charlotte area.

Range Hours of Operation

The club would like to remind all members that the range will close on Mondays at 12:00 PM and reopen on the following Tuesday at 12:00 PM. All other practice facilities will remain open during that time. As a member you have access to your range plan through the selectpi app, please see our professional staff with assistance.
