Message From The Manager

During the month of February, the golf shop will be undergoing renovation. Our plan is to update the shop to the modern color scheme as the rest of the facility. We are hoping to have this project completed by March 1st and are looking forward to having the entire club house renovation finished. During this time the golf shop will be in the card room and will operate as usual. Thank you for your continued support as we work hard to make Skybrook best in class in the Charlotte area.
